A Community School

Lakeshore Intergenerational School is the Collinwood campus of our three city-wide Intergenerational Schools, nationally recognized for our innovative intergenerational approach to learning. The school opened in 2014, with plans to grow to serve over 250 students in grades K-8. Our school was founded on two mainstay principles: 1) learning is a lifelong developmental process, and 2) knowledge is socially constructed. Our students are challenged, nurtured, and encouraged by teachers, peers, and senior mentors in multi-age clusters on their journey to becoming lifelong learners.

We are proud and grateful for our growing corps of volunteer mentors, like Reading Mentor Wendy Graves. Ms. Graves received LIS' Volunteer of the Year award for her joyful commitment. Students performed for all of our volunteers, and enjoyed the opportunity to thank those who make LIS such a magical place.
